واجهة البرنامج

The image shows the Microsoft Excel interface with various components labeled in Arabic:

- شريط العنوان** (Title Bar): Located at the top, showing the file name and application name.
- الشريط الرئيسي** (Main Ribbon): The ribbon at the top containing tabs like "الشريط الرئيسي" (Main Ribbon), "إدراج" (Insert), "تخطيط الصفحة" (Page Layout), "مراجع" (References), "بيانات" (Data), "عرض" (Formulas), and "الوظائف الإضافية" (Add-ins).
- القوائم** (Menus): Located on the left side of the ribbon, including "بحث" (Search), "قرّر" (Decide), "تنسيق" (Format), "تحديد" (Select), and "تحرير" (Edit).
- زر أوفيس** (Office Button): Located on the right side of the ribbon, used for opening, saving, and printing files.
- أدوات الخلية الخاصة بهذا الشريط** (Cell-specific tools for this ribbon): A group of icons used for formatting and editing cells.
- شريط الصيغة** (Formula Bar): Located below the ribbon, used for entering data and formulas.
- صفوف** (Rows): The vertical grid lines on the left side of the worksheet.
- أعمدة** (Columns): The horizontal grid lines at the top of the worksheet.
- مساحة العمل** (Work Area): The central area where data is entered and manipulated.
- زر إنشاء ورقة عمل جديدة** (New Workbook Button): Located at the bottom right, used for creating a new workbook.
- أوراق العمل** (Worksheets): The tabs at the bottom of the window, used for switching between different sheets.
- شريط الحالة** (Status Bar): Located at the very bottom, showing information like the current sheet and cell.
- تصغير وتكبير العرض** (Zoom In/Out): Buttons for adjusting the view of the worksheet.
- أزرار تغيير التخطيط** (Layout Change Buttons): Buttons for changing the layout of the worksheet.
- أشرطة التمرير** (Scroll Bars): Located on the left and bottom, used for scrolling through the worksheet.
