

المحاضره الثالثه

الفرقه: الرابعه اساسى انجلىزى

الماده : كتابه

د.رشاد مختار

Organization

Pages: 54,55,56,57,60,61

Overview of essay organization

Study the diagram on page **54**

The introductory paragraph

It consists of two parts: **a-** general statement **b-** thesis statement

Focus on the definition of general statement on page 54.

Focus on the definition and the function of the thesis statement on page 55.

Body paragraphs

These paragraphs that form the body of the essay should contain: (p. 56)

Topic sentence

Supporting sentences

A concluding sentence

The concluding paragraph

Focus on the function of the last paragraph of the essay or the concluding paragraph on page 57.

Focus on the two parts of the concluding paragraph:

(A) Concluding sentence(s)

(B) Final thoughts

Transitions between paragraphs

Study the transition signals of both "additional ideas" and "opposite ideas" on page 61.

Exercise:

Differentiate between the *concluding sentence* and *final thoughts* as main components of the concluding paragraph.

Best of luck!
