Professional Qualifications

- M.BB.ch 1994 Mansoura University
- M.sc in Public Health and Preventive medicine 1999, Mansoura University
- PhD, in Public Health and Preventive medicine 2002, Mansoura University.
- JMHPPE (Joint Master of Health professions Education) developed in collaboration between University of Maastricht and Suez Canal University, in April, 2009.
- Certificate from FWOUCEM (FAIMER WFME OPEN UNIVERSITY distance learning resources for medical education) in "Self review and accreditation" in 2010.

- Fellow in ASU-MENA-FRI (Ain Shams University Middle East North Africa-FAIMER Regional Institute).

Career Profile

Current jobs/positions:

- Vice dean, Community Service & Environmental Development Affairs, Faculty of Medicine, Damietta University, Egypt.
- Member of undergraduate medical education curriculum committee at medical sector, Ministry of Higher Education (2016. Till now)
- Consultant for evaluation and assessment unit in the ministry of higher education, Egypt (2019- till now)

Previous jobs/positions:

- Acting dean of Faculty of Medicine, Delta University for science and Technology, Mansoura City, Egypt (March 2020- October 2020).
- Vice dean of education and students affairs, Faculty of Medicine, Delta University for science and Technology, Mansoura City, Egypt (January 2020- October 2020).
- Head of the Medical education department, Faculty of Medicine, Mansoura University, Egypt (2018-2020).
- Member of higher committee in Mansoura university digital transformation committee (2019-2020).
- Professor of Community medicine and public health at Faculty of Medicine, Mansoura University, Egypt (2016-2018).
- Assistant professor of Community medicine and public health at Faculty of Medicine, Mansoura University, Egypt (2004-2005).
- Lecturer of Community medicine and public health at Faculty of Medicine, Mansoura University, Egypt (2002-2004).

Previous professional experiences:

1. Professor in medical education department in Faculty of Medicine, King Abdulaziz University (2010-2016)
2. Associate professor of family and community medicine, Faculty of Medicine, King Abdulaziz University (2007-2009).
3. Assistant professor of family & community medicine in Al-ahsa college of medicine in king Fiasal university(2005 - 2006)
4. Lecturer of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (2002-2007).
5. Assistant Lecturer of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (August, 1999-Sept.2002).

6. Demonstrator of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (May1996-August,1999)
7. House officer at Mansoura university hospital (March 1995 to February, 1996)
8. General practitioner at Ministry of health & population (March1996-may1996)

Professional Profiles and Accomplishments

- Collaborate with French Faculties of Medicine of Caen and Rouen to adapt the French Medical Curriculum with the NCAAA requirements and to fulfill the templates of program and course specification for UBT Faculty of Medicine project in Jeddah - KSA, in cooperation with the (2015-2016).
- PBL co-coordinator in male section in Faculty of Medicine, King Abdulaziz University (2008- 2016).
- Member in research club students, advisory for students, participation in workshops and seminars for orientation of the students.
- Coordinator of clinical skill module committee (2008- 2016)

Administration, Quality and Accreditation Experience

- Member of quality assurance committee in Mansoura faculty of medicine (2010-2017)
- Consultant of the university vice president for Academic Affairs for the development and institutional accreditation, March 2013
- Member in Coordinating Committee to prepare for the visit of External Auditors of the National Commission for Academic Accreditation and Assessment Team, Aug 2013
- Consultant for department of Measurement and Evaluation, Nov 2013
- Member in Executive Committee for Academic Accreditation in university vice president for Development, Mar 2014
- Member in Development Unit academic and educational systems, Faculty of Medicine, March 2014
- Consultant for the university vice president for Development Agency for Measurement and Evaluation, Feb 2015
- Co chairman of Main Task Force Committee (MTFC) of accreditation, Faculty of Medicine, King Abdulaziz University (2008- 2016).
- Member of undergraduate education program accreditation committee (2008- 2016).
- Member of course specification and report committee (2008- 2016)
- Member of study guide committee (2008- 2016)
- Member of data base committee (2008- 2016)

- Member of the Curriculum Monitoring Committee (CMC) of college of medicine, king Abdel Aziz (2008- 2016).
- Member of faculty accreditation committee (2008- 2016).

Training courses, Symposia and Conferences

1. Training courses of PBL for academic staff in king Abdel Aziz College of medicine (2007-2009).
2. Training courses of SPSS for administrative and secretary in king Abdel Aziz College of medicine (2007-2009).
3. Training courses of SPSS for academic staff in center of development in King Abdel Aziz University (2007-2009).
4. Workshops in PBL for academic staff in center of development in King Abdel Aziz University (2007-2009).
5. Training workshops on "Tips on research methodology" for academic staff and residency (twice/ year)
6. Training workshops on Submitting for scholarship program- University Education Development Center 2007
7. Training workshops on "Sample Size Calculation " - In Al Ahsa Hajar hall on 31st March 2006
8. Training workshops on PBL Tutor Training Program - in KAU from 10 - 17 November 2007
9. Training workshops on PBL Tutor Training Program (Speaker) University Education Development Center 2007
10. Training workshops on "training on SPSS program", University Education Development Center 2007
11. Training workshops on PBL Tutor Training Program (Speaker) - Saudi Institute for Health Services 2008
12. Training courses on Educational Goals - In KAU, from 19th - 20th October, 2008
13. Training courses on The impact of Simulation in Education: Lessons Learnt - In KAU on 1-2 November, 2008
14. Speaker in "The First Medical Students Research Day" - In KAU on April 24th 2008
15. Training courses on Balanced Score Card - In KAU from 10 March 2009
16. Training courses on Student Assessment Strategy Workshop - In KAU from 2 - 3 rd June 2009
17. Speaker in The Second Medical Students Research Day - In KAU on April 16th 2009
18. Training workshops on Training courses of Research Methodology - In KAU on 14 - 15 November 2009
19. Training courses on Student Assessment Made Easy - In KAU on 2 - 3 November 2009

20. Training courses on " Leading the momentum International Accreditation Process" & "Enhancing Quality Health Services with accreditation Canada on Patient Safety "- In KAU 14 and 15 December 2009
21. Training workshops on Exam preparation Course - In KAU clinical skills center on 21 - 25 March 2009
22. Training workshops on Mini CEX Training - In KAU 11 January 2010
23. Training workshops on Application of Simulation in Health Education - In KAU 12 January 2010
24. Speaker in Simulation in Health Education - In KAU 9 January 2010
25. Training courses on Academic Course Design - In KAU 19 - 20 December 2009
26. Training workshops on Exam preparation Course - In KAU clinical skills center on 21 - 25 March 2009
27. Speaker in "Tips on research methodology" - In KAU faculty of medicine medical education department 2009
28. Speaker in "Tips on research methodology" - In KAU faculty of medicine medical education department 2010
29. Basic Science Gynecology Course, Jeddah King Abdul-Aziz University Hospital, KSA Date:21- 25Feb.2011
30. Speaker in Mini Symposium On Cancer Screening For Women, held at Park Hayat, Jeddah, KSA Date: 14 February 2012
31. Speaker in Participation in the arbitration of students' participation in the fourth scientific conference of the male and female students of Higher Education, which was held at holy Makkah Al-Mukarramah during the period 19 - 22/06/1434 H corresponding to 29/4-02/2013
32. Training workshops on "training on SPSS program, held in KAU, faculty of medicine 21-11-2013
33. Speaker in Participation in fourth scientific conference of the male and female students of Higher Education, which was held at KAU, Jeddah during the period 07 - 09/02/1435 H corresponding to 10-12/12/2013
34. Training courses on The Program "You Are the leader" in 2014 and 2015 At King Abdulaziz University, Faculty of Medicine Hosted by Creativity & Talents Support Unit
35. Training courses on "Basics of Student Assessment" Held on 24/4/2014 corresponded to 24/6/1435 H At University Education Development Center.
36. Training workshops on "Scientific methodology to discuss the master's and doctoral" Held on 30/4/2014 corresponded to 01/7/1435 H At University Education Development Center.
37. Training workshops on Blackboard Essential Training - E-learning Held From 28-29-30/4/2014

38. Training workshops on "Teaching and learning standards" Held on 15-16/9/2014 corresponded to 20-21/11/1435 H at University Education Development Center.
39. Training courses on "Ensure the quality of learning outcomes depending on national body" Held on 20-21/10/2014 corresponded to 26-27/12/1435 H at University Education Development Center.
40. Training courses on "Design research studies" Held on 3-4/11/2014 corresponded to 10-11/1/1436 H at University Education Development Center.
41. Training workshops on "The foundations of effective assessment for students" Held on 24-25/11/2014 corresponded to 2-3/2/1436 H at University Education Development Center.
42. Training courses on "Good practices to assess students according to the standards of the National Commission" Held on 1-3/12/2014 corresponded to 9-11/2/1436 H at University Education Development Center.
43. Training courses on "Mixed research methodology" Held on 17-18/12/2014 corresponded to 25-26/2/1436 H at University Education Development Center.
44. Speaker in "Scientific methodology to discuss the MA and PhD" Held on 16/12/2014 corresponded to 24/2/1436 H at University Education Development Center.
45. Speaker in HIGHLIGHTS OF THE 3rd KING ABDULAZIZ UNIVERSITY STRATEGIC PLAN, Faculty of Medicine, King Abdulaziz university February 12, 2015
46. Training courses on "Workshop in the area of performance indicators and their role in the quality of implementation of the Strategic Plan" for employees of the Department of Defense", Jeddah, Feb 2015
47. Training courses on PERSONAL STRATEGY FOR ACADEMICS, HELD IN 11th OF MARCH 2015
48. Contribution in "The training program rehabilitation programmatic accreditation", which was held at King Faisal Convention Center .Apr 2015
49. Training courses on "Learning outcomes and performance indicators depending on the National Commission for Accreditation and Academic Calendar" (6 CM HOURES). Held on 14-15/4/2015 corresponded to 25-26/6/1436 H At University Education Development Center.
50. "Training workshops on Ensure the quality of learning outcomes (6 CM HOURES). Held on 19-20/4/2015 corresponded to 30/6-1/7/1436 H At University Education Development Center.
51. "Training workshops on Criteria for assessing students depending National Commission for Accreditation and Academic Assessment (6 CM HOURES). Held on 6-7/5/2015 corresponded to 17-18 /7/1436 H At University Education Development Center.
52. Training workshops on "Good practices of teaching and learning in the light of the National Commission for Accreditation and Academic Assessment" (6 CM HOURES).

Held on 6-7/5/2015 corresponded to 23-24/11/1436 H At University Education Development Center.

53. Speaker in "Ethics of Scientific Research "(4 CM HOURES). Held on 12/10/2015 corresponded to 29/12/1436 H At University Education Development Center.
54. "EVALUATION OF EDUCATIONAL PROGRAMS" HELD FROM 21 to 22 of OCTOBER 2015
55. Training workshops on Design scientific research with shed light on the methods of mixed research" Held on 25-26/10/2015 corresponded to 12-13/1/1437 H At University Education Development Center.

Workshops:

- "The 2nd international Symposium on Controversies on Electromagnetic field in Medicine and Biology" held in king Abdulaziz University, Jeddah, KSA April 20, 2014.
- "CONCEPTS AND APPLICATIONS IN STRATEGIC PLANNING "Faculty of Medicine , king Abdulaziz University December 3,2014
- "The training program rehabilitation programmatic accreditation" , King Fahad research center 9-11/12/2014
- "Standard Setting in MBBS Assessment" Given by: Professor Ben canny & Peter Barton Sunday, March 1st 2015 and Held in king Abdul - Aziz University - faculty of Medicine
- "Clinical OSCE and feedback" Given by Professor Ben canny & Peter Barton, Monday - Tuesday, March 2-3/2015 Held in king Abdul - Aziz University - faculty of Medicine
- "Feedback, formative Assessment and item writing" Given by: Professor Ben canny & Peter Barton, Wednesday, March 4th /2015 Held in King Abdul-Aziz University - Faculty of Medicine
- "The IBCT certification Body certifies that has been granted the title of Associate Trainer and met the IBCT international standards of basic knowledge & skill in training and HRD including" 17/3/2015 17/3/2018.
- "Best prize award by Scientific Chair of prof. Abdullah Hussain Basalamah for Gynecological cancer" Held in Gynecology Unit, king Abdul Aziz University Hospital, Jeddah Date : 13 May 2015.
- Attendance workshop of" treatment of respiratory tract infection in children (1995&1999)
- Attendance workshop of "treatment of diarrhea disease in children (1995&1999):
- Attendance workshop of "importance of breast feeding"(1995&1999)
- Attendance workshop of" integrated health science modules (2006).
- Attendance of the workshop entitled "Good Clinical Practice Course" in King Fahed research center in February 2009.

Conference:

- Alazher University, "Updates of infectious Diseases, July 2022.
- Alazher University, Male section Domiat, "COVID-19 lessons learned, March 2021.
- 2nd annual conference of medical education department, the wind of changes and challenges, 16th-22th March 2019. Ain Shams University.
- Medical education conference in Faculty of Medicine, Zagazig University, 2018.
- Alazher University, Male section Damietta, "A bright spot on the Map of Medicine in Egypt", 2019.
- Alazher University, Male section Damietta, "Challenges in implementing high quality of integrated medical education, 2018.
- Poster "Internet addiction prevalence and effect among students in king Abdel Aziz College of medicine" in King Abdulaziz College of medicine conference of student research (2007-2008).
- Poster "Assessment of anatomy and histology courses for future clinicians at college of medicine, King Abed Aziz university, Saudi Arabia" in Gulf conference of higher education (2007-2008).
- Presentation "Evaluation of risk perception and precaution taken by health care workers for HIV infection in hem dialysis units". in "Towards a better family health the 12-annual conference Menofyia faculty of medicine".
- Participation in the scientific conference of faculty of Medicine, Mansoura University (1996-2002).

Research Publications

1. Urban-rural differences in the prevalence of female pattern hair loss among secondary school girls: A cross-sectional study. Youssef SME, Atallah RB, Zaky MS, Eldeek BS, Elsaie ML. *J Cosmet Dermatol.* 2022 May;21(5):2229-2235. doi: 10.1111/jocd.14373. Epub 2021 Aug 6. PMID: 34358392.
2. Cardiopulmonary assessment of patients with unresectable hepatocellular carcinoma treated by transarterial chemoembolization. K Farid, H Elalfy, M El-Bendary, T Besheer, A El-Eraky, M Abdelbadie, *Journal of Liver Transplantation* 2022, 5, 100063.
3. Development of a novel glycosylated protein-based fibrosis prediction score for determination of significant liver fibrosis in HCV-infected patients, a preliminary study. Abo El-Khair SM, El-Alfy HA, Elsamanoudy AZ, Elhammady D, Abd-Elfattah N, Eldeek B, Farid K. *J Med Virol.* 2020 Jun 19. doi: 10.1002/jmv.26204. Epub ahead of print. PMID: 32558950.
4. Prognostic value of vascular endothelial growth factor in both conventional and drug eluting beads transarterial chemoembolization for treatment of unresectable hepatocellular.

Thesis supervision

1. Violence against females in Mansoura, Dakahlia Governorate. M.SC.in public health , Mansoura University, Egypt
2. Cancer Pancreas Epidemiology and risk factors females in Mansoura, Dakahlia Governorate. M.SC. in public health, Mansoura University, Egypt
3. Evidence based medicine in treatment of nephritis syndrome M.S.C in Pediatric department in Mansoura faculty of medicine ,Mansoura University, Egypt
4. Knowledge attitudes &practice of school personels towards Violence against students M.S.C in faculty nursing Ain Shams University
5. Epidemiology of leprosy in Dakhlia governorate M.S.C in Dermatology department, Mansoura University, Egypt.

Membership:

1. Member of Egyptian Association Community medicine
2. Member of the Scientific Society of the Faculty of medicine, Mansoura University
3. Member of the society for community and environmental development, Mansoura University.
4. member curriculum committee for fourth year community medicine in king Abdel Aziz College of medicine (2008-2009).
5. Member in AMEE (Association Of Medical Education Of European).
6. Member in ESME (Egyptian Society of Medical Education).

Teaching:

- 1- Teaching in clinical round for fourth, fifth and six year medical students
- 2- Teaching of biostatistics and methodology to students in faculty of nursing.
- 3- Teaching for specialties in moderate grade of nursing.
- 4- Teaching for postgraduate students in faculty of Tradition.
- 5- Teaching for fourth & fifth year medical students Lectures in all parts of public and community medicine.

In the field of primary health care and public health

- Participant a research project (epidemiology of hepatitis C virus in an Egyptian village Funded by sector of community and environmental affairs, Mansoura faculty of medicine 2000.
- Organizer of Mansoura university from 1997 to 2001.

In the field of maternal health

- Attendance of primary training course at Damietta governorate in the field of maternal and child health services (1996).
- Supervision & participation in training of primary health care staffs as preparatory steps for implementation of family medicine in Egypt in 2002.

In the field of child health

Participation in Polio-eradication campaign in (1999-2002).

In the field of general practice

Working in daily GC outpatient clinic of red Helal (1997-1998)

Working in daily GC outpatient clinic of Gaz Egypt company

From 2002-2005).

Future career and professional intentions

I am applying in the fellowship of ASU-MENA-FRI (Ain Shams University Middle East North Africa-FAIMER Regional Institute) in order to continuously develop my experience in the field of medical education.
